

# Elven Guard® Repellent Tips for Infants and Children

Remind child not to rub eyes with hands that may have repellent on

Don't forget to apply Elven Guard® to a child's ears, elbows and ankles

If Elven Guard® repellent gets into child's eyes, wash out with water

Apply Elven Guard® to exposed skin

For infants 6 months and older, always spray onto your hands first then apply to the infant's exposed skin

## If Your Child has Bug Bites:

1. Soothe any bites with Amber's Skin Calmer cream
2. Encourage kids not to scratch to avoid infection
3. See your doctor if bites swell, spread or disrupt sleep

# Elven Guard® Repellent Application Guidelines

For any new bottle or unused bottle for some time, first prime the pump mechanism by pressing 4-6 times until spray emits. Elven Guard® insect repellent actively protects against a wide range of biting insects with especial effectiveness against the Aedes aegypti mosquito (Dengue, Zika, Yellow Fever, Chikungunya) for 8+ hours on a single application.

## Apply Elven Guard® externally 2-3 times a day

Apply in the morning after general hygiene (bath, brushing teeth etc).

Apply mid-day if you experience any conditions that may reduce the effect of Elven Guard® eg. bath, swim, profuse sweating, heavy unprotected rainfall.

Apply in the evening before sleep or after an evening bath

## Apply as follows:

Spray 2 times onto a palm.

Rub palms together.

### Arms

Remember elbows

Then use each palm to apply a thin layer of Elven Guard® to exposed skin on each arm (if exposed).

Spray 2 times onto a palm.

Rub palms together.

### Face & Neck

Remember ears and hairline

Then use each palm to apply a thin layer of Elven Guard® to exposed skin on the face and neck.

Spray 2 times onto a palm.

Rub palms together.

### Legs

Remember ankles

Then use both palms to apply a thin layer of Elven Guard® to exposed skin on one leg (if exposed), repeat the process for the other leg.

Elven Guard® may be applied to unexposed skin or items of clothing for improved effect.

For exposed back skin, someone should apply for you
